

# Supercharge Your Online Retail Business with *Bearer*

# Introducing Bearer's Business Portal

## Simplify Your Deliveries with Bearer's Business Portal

### Seamless Integration

Our Business Portal effortlessly integrates with your existing business systems, streamlining the delivery process.

### Multiple Orders

Submit multiple orders to different locations simultaneously, saving you time and effort.

### User-Friendly Interface

Designed for ease of use, our Business Portal allows you to schedule and manage deliveries with just a few clicks.

### Real-Time Tracking

Stay informed with real-time updates on all deliveries, ensuring you and your customers know the status of each order.

### Secure and Reliable

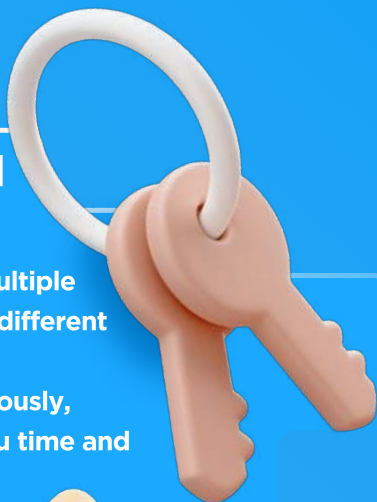

Our verification code system ensures only the designated receiver can collect the parcel, guaranteeing secure and reliable deliveries.

# Service Highlight - Under 90 Minutes Delivery

## Deliver Faster, Delight Customers

### Speed is Key

Submit multiple orders to different locations simultaneously, saving you time and effort.

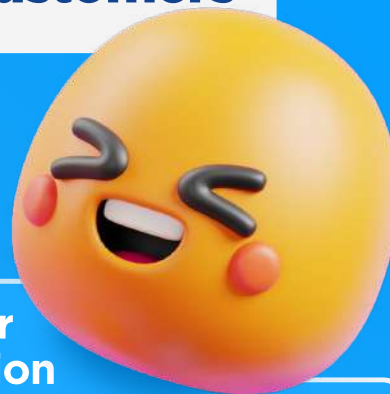

### Versatile Delivery Options

Whether by foot, bike, or motorbike, we ensure that your products reach your customers swiftly and safely.

### Boost Customer Satisfaction

Fast delivery translates to happy customers, which means more repeat business and positive reviews for your brand.

### Competitive Edge

Stand out from the competition by offering super-fast delivery times that cater to today's fast-paced lifestyle.

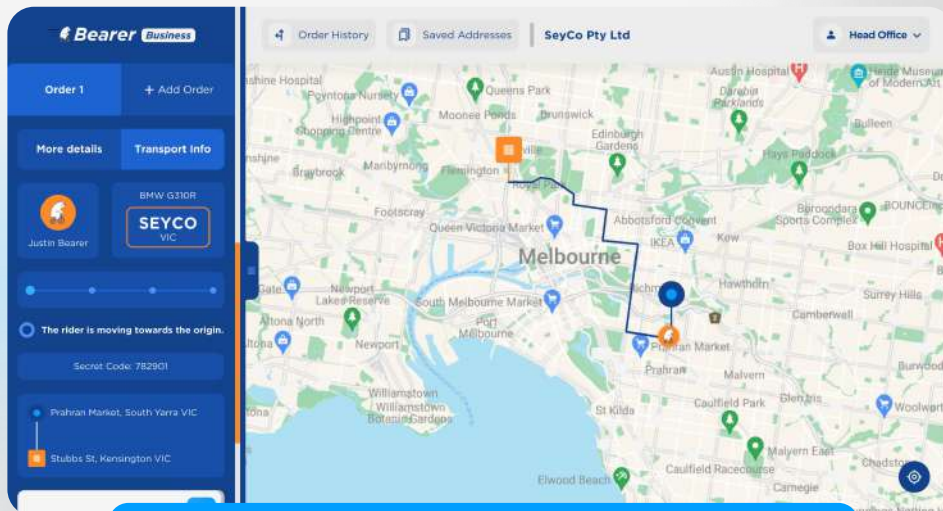

### Cost-Effective Solutions

Optimise your delivery costs with our efficient, time-saving service, allowing you to focus on growing your business.
